

Thank you for your donation! Everthing we receive directly benefits those in need residing in the Webster Community.

Due to health and safety reasons and lack of storage space Webster Hope can't take certain items. Please review the our donation guide prior to drop off. Our costs increase when we have to dispose of items we don't accept. ****See other donation resources listed below.***

Please do not bring items that are dirty or in need of repair. Sometimes items are at the end of their life and no longer usable.

We and the recipients we support appreciate your support.
